- (i) In the event of abandonment by an Owner, MLDC shall be designated as the abandoning Owner's attorney-in-fact to vote on behalf of the abandoning owner, and, in MLDC's discretion, to execute, on behalf of the abandoning Owner, a deed in lieu of foreclosure or other like documents transferring the abandoning Owner's interest to and vesting title in MLDC, or a holding entity to be designated by MLDC, to be held for the benefit of the Association.
- (ii) Abandonment shall be presumed under the following circumstances:
 - a. The Owner's failure to respond to three (3) demands for payment of the amounts due and owing under this Agreement; under the Declaration of Covenants, Conditions and Restriction of Meadow Lake Country Club Estates; or under the Bylaws of Meadow Lake County Club Estates; or

- b. The Owner's response to a demand for payment that fails to provide a justifiable reason for the Owner's failure to pay the amounts due and owing.
- c.
 - (iii) Notices under this Section shall be sent by Certified Mail, Return Receipt Requested to the Owner's last known residence address.

(B) Following thirty (30) days' notice to any Rotational Estate Owner in default on payment of assessments or in any other obligation imposed on the Rotational Estate Owner, to cure the default and the Rotational Estate Owner's failure or refusal to cure the noticed default, the defaulting Owner's voting right shall be deemed suspended and MLDC shall be entitled to vote in the stead of that defaulting Owner pursuant to Section 10(C), above. The Managing Agent shall further suspend all occupancy and use privileges conferred to a Rotational Estate Owner or guest by this Agreement or any other document recorded in the public records with the Flathead County Clerk and Recorder that confers benefits and privileges to any Rotational Estate Owner.

(C) All amounts due under this Agreement which are unpaid shall constitute a lien on the Rotational Estate of the Owner failing to pay such amount and shall run in favor of all of the other Owners of the Unit and be prior to all other liens and encumbrances except:

- (i) Liens for taxes and special assessments;
- (ii) The lien of any first mortgage or first deed of trust of record encumbering that Owner's Rotational Estate in the Unit.
- (iii) The lien shall attach from the date when the unpaid amount shall become due and may be foreclosed by the Managing Agent in like manner as a mortgage on real property upon the recording of a notice or claim thereof executed by the Managing Agent setting forth the amount of the unpaid indebtedness, and the name of the defaulting Owner. In any such foreclosure, the defaulting Owner shall be required to pay the costs and expenses of such proceedings, including reasonable attorney's fees and court costs. During the period of foreclosure, the Owner who is in default shall not be entitled to use or rent the Unit. The Managing Agent shall be entitled to rent the Unit during the defaulting Owner's Use Period (s) and to set up any amounts received against the amount due from the defaulting Owner. In the event the Managing Agent proceeds against any Owner in default through foreclosure, MLDC, so long as it is the Managing Agent, or the Managing Agent, acting for and on behalf of MLDC, and any Owner shall be entitled to purchase the Rotational Estate in the Unit at the foreclosure sale, and to acquire, hold, lease, mortgage and convey the same in accordance with the conditions set forth in this Agreement.

(D) No Owner shall exempt himself from liability for payment of amounts payable under this Agreement either by waiver of the use or enjoyment of the Unit, by abandonment of the Unit, or otherwise.

(E) The Managing Agent may collect interest at the highest rate permitted by law, on any amount due from an Owner which is not paid when due under this Agreement. In addition, such Owner shall reimburse the Managing Agent for all costs and expenses reasonably incurred

by the Managing Agent in collecting any delinquent amounts, including but not limited to court costs and reasonable attorney's fees.

(F) In the event MLDC acquires title or has the right to acquire title from any defaulting Owner by any means, including acquisition by Deed in Lieu of foreclosure or by acquisition at Sheriff's sale, MLDC shall have the option to hold title in its name or to allow the acquired Rotational Estate to become titled in a third-party holding entity. In the event MLDC or a third-party holding entity designated by MLDC acquires title to any defaulting Rotational Estate under the terms of this Agreement, MLDC or the third-party holding entity shall be entitled to receive a net holding fee equal to thirty percent (30%) of any funds derived from the sale or lease of the Rotational Estate in excess of any commission due to the selling or leasing broker or agent. All remaining proceeds shall be applied to accrued but unpaid maintenance fees or paid back to MLDC for maintenance fees that were pre-paid by MLDC for the acquired Rotational Estate. In no event shall MLDC be required to apply proceeds derived from the sale or lease of an acquired Rotational Estate to amounts in excess of accrued but unpaid maintenance fees or to maintenance fees that were pre-paid by MLDC. All Rotational Estates acquired from a defaulting Owner pursuant to the terms of this Agreement shall be marketed for sale with sales proceeds applied or distributed as described above.

(G) The powers granted to MLDC under this Section 15 may not be delegated, assigned or extinguished without the vote of seventy-five percent (75%) of Association Owners in Good Standing.

16. INSURANCE:

(A) The Managing Agent shall on behalf of the Owners of the Unit:

(i) provide and keep in force for the protection of the Owners, and all first lienors, general public liability and property damage insurance against claims for bodily injury or death or property damage occurring in or on such Unit, in limits of not less than \$250,000.00 in respect of bodily injury or death to any one person, and no less than \$1,000,000.00 for bodily injury or death to any number of persons arising out of one accident or disaster, and in limits of not less than \$10, 000.00 for damage to property, and if higher limits shall at any time be customary in the Flathead County, Montana area, to protect against possible tort liability, such higher limits shall be carried; and

(ii) Insure all furniture, furnishings, and other personal property originally supplied or installed in the Unit and replacements thereof against loss or damage by fire, with extended coverage (including insurance against loss or damage by vandalism or malicious mischief), in approximately the amount of the maximum replacement value thereof determined in accordance with paragraph 16(C), less reasonable deductibles.

(B) All insurance required to be carried under this paragraph shall be carried in favor of the Managing Agent, the Owners from time to time of the Unit, and all first lienors of the Unit, as their respective interests may appear. Each policy of insurance shall contain a standard mortgagee clause in favor of each first lienor of the Unit which Shall provide that the loss, if any, thereunder shall be payable to such first lienor, as its interest may appear, subject, however, to the loss payment provisions in favor of the Managing Agent hereinafter set forth. All policies of

insurance against damage to any personal property shall provide that losses shall be payable to and adjusted with the Managing Agent as attorney-in-fact for the Owners. The Managing Agent shall hold and apply the proceeds of such insurance as set forth in this Agreement. Each insurance policy shall provide that in case of violation of any provision thereof by one or more (but less than all) of the Owners the coverage of such policy shall be suspended or invalidated only as to the Rotational Estate of the Owner or Owners committing the violation -and not as to the Rotational Estate of the other Owners. All policies of physical damage insurance shall contain waivers of subrogation and of any defense based on coinsurance.

(C) The maximum replacement value of the personal property in the Unit and without deduction for depreciation shall be determined by the Managing Agent prior to obtaining any policy of fire insurance or any renewal thereof.

17. **RULES AND REGULATIONS:** The Managing Agent may from time to time, prepare reasonable rules and regulations with respect to this Agreement including but not limited to rules regarding check-in and check-out procedures, the maximum number of occupants for any Unit, the activities which may be permitted in the Unit and any other rules and regulations as the Managing Agent may deem appropriate with respect to the use of the Unit by owner, guests and invitees. Each owner shall abide by the rules and regulation promulgated by the Managing Agent and shall be responsible for the actions of any Guest or other persons using the Unit through Owners. Copies of the rules and regulations currently in effect shall be available for Owner and Guests at the Managing Agent's office.

18. **OWNER'S GUESTS:** If, in lieu of his own use during his Use Period, an Owner desires to allow a Guest to use a Unit, the Owner shall provide the Managing Agent in advance and in writing: (i) the name and address of the Guest, and (ii) the specific Use Period during which the Guest will be using the Unit. Guests of which the Managing Agent has been notified in the manner provided in this section shall have the same right to use and enjoy the notifying Owner's Unit and the common areas as the Owner would otherwise have had during the Use Period specified in the notice. All Guests shall be subject to the provisions and restrictions of this Agreement, and any rules promulgated pursuant hereto. The act or negligence of a Guest shall be deemed to be the act or negligence of the Owner permitting the Guest to occupy the Unit, and the Owner shall be responsible for any loss or damage to any Unit, the Common Areas, the Association or any Owner resulting for the act or negligence of the Guest.

19. **PETS:** No owner or guest shall keep, during their Use Period time(s), any household pet or other animal in the Townhome Unit, unless the owners have voted to allow pets and the measure has been approved unanimously.

20. **PERSONAL PROPERTY:** Upon receiving a deed to the Unit, each Owner shall automatically acquire an identical Rotational Estate in all furniture and furnishings then located in the Unit and used for the operation thereof, and in the account, in the same amount as such Owner's Rotational Estate in the Unit. A transfer of a Rotational Estate shall transfer to the grantee an equivalent ownership of the transferor's beneficial ownership in such personal property without any reference thereto. Each Owner may use such property only in accordance with the purpose for which it is intended and with respect to the furniture and furnishings, only during his Use Period(s), without hindering or encroaching upon the lawful rights of the other Owners. The transfer of title

to a Rotational Estate under foreclosure shall entitle the purchaser to the beneficial ownership in such personal property equal to the foreclosed Rotational Estate.

21. REMOVAL OF PERSONAL EFFECTS: At the end of his Use Period or successive Use Periods each Owner and his Guest shall remove from the Unit all clothing, food, liquor, luggage and personal effects brought into the Unit. Neither the Managing Agent nor any Owner or Guest subsequently occupying a Unit shall be liable in any manner whatsoever for any personal effects left in a Unit by an Owner or his Guests. All clothing, luggage and personal effects remaining in any Unit at the end of a Use Period or successive Use Periods shall be considered to have been abandoned.

22. FURNITURE AND FURNISHINGS: The Unit shall be provided with basic furniture and furnishings. A listing of the specific items provided in the Unit shall be given to each original Owner and the Managing Agent at the closing upon which the Original Owner acquires a Rotational Estate in the Unit. Such listings shall be considered to be incorporated into this Agreement. The Managing Agent shall be responsible for keeping each Unit equipped in a first-class manner substantially in accordance with the listing conveyed to each Original Owner of the Unit and shall be authorized to replace or repair any furniture or furnishings which are missing, which become unusable or which become so worn as to require replacement in the reasonable judgement of the Managing Agent. Except in cases where any such furniture or furnishings must be replaced due to the negligence or intentional act of any Owner or his Guest (which shall be determined by the Managing Agent in its reasonable judgement), the expenses of replacing any such furniture or furnishings shall be a general operating cost of the Unit and each Owner shall pay his proportionate share of such expenses. At the end of each Use Period or successive Use Periods, the Managing Agent shall inspect the Unit and shall determine whether there are any items of furniture or furnishings which need to be replaced or repaired and if so whether such replacement or repair is the responsibility of the Owner during whose Use Period such replacement or repair became necessary. The Managing Agent shall notify any Owner promptly if he is to be charged for any items of furniture or furnishings which need to be replaced or repaired. The Managing Agent may use funds attributable to the Unit to pay for the replacement or repair of any furniture or furnishings under this paragraph 22.

23. REMODELING AND REPAIRS:

(A) Except as otherwise provided herein, the Unit furniture or furnishings shall not be altered, remodeled or renovated unless such alteration, remodeling or renovation shall be approved in writing by a Majority of the Owners of each Unit. Any such approval shall identify the alteration, remodeling or renovation to be done in reasonable detail and shall establish a budget therefor. All such alteration, remodeling or renovation shall be conducted by the Managing Agent which shall be entitled to a special fee of 10 percent (10%) of the cost thereof. Such cost shall be an operating expense of the Unit and each Owner shall pay his proportionate share thereof.

(B) All repairs to the Unit required in order to maintain the Unit in the manner required by the Agreement shall be made by the Managing Agent. No Owner shall make such repairs.

(C) No Owner shall cause any material to be furnished to the Unit or any labor to be performed therein or thereon except in the manner set forth in paragraphs 22, 23(A) and 23(B)

above. Each Owner shall indemnify and hold the other owners of his Unit harmless against any loss, damage, improvement and repairing and restoring the Unit to substantially its condition prior to such alteration, remodeling, renovation or repair.

24. **DAMAGE OR DESTRUCTION:** In case of damage or destruction to any of the personal property in the Unit, the Managing Agent shall collect the insurance proceeds payable on account of such damage or destruction (as agent-in-fact for the Owners) and, unless the Project is not to be rebuilt or repaired under the Declaration, shall apply the proceeds of insurance to replace or repair the damaged or destroyed personal property. If any excess funds are required in order to replace or repair such personal property, such excess shall be a common expense of the Owners and shall be billed to the Owners of the Association. Each Owner shall pay his proportionate share thereof. If the insurance proceeds exceed the cost of repair or replacement, such excess shall be placed in the Account for the benefit of the Owners of the Association.

25. **QUALITY OF WORK:** Any repairs, alterations, remodeling, or renovation of the Unit by the Managing Agent shall be done in such manner as to make the Unit in at least as good condition after such work as it was immediately before the occurrence requiring the work to be done.

26. **NUISANCE:** No noxious or offensive activity shall be carried on within the Unit, nor shall anything be done or permitted which shall constitute a public nuisance therein.

27. **APPOINTMENT OF ATTORNEY-IN-FACT:** Each Owner by his acceptance of the deed or other conveyance vesting in him a Rotational Estate in the Unit does hereby irrevocably constitute and appoint the Managing Agent acting from time to time, with full power of substitution, as his true and lawful attorney in his name, place and stead:

(A) To deal with the interest of such Owner upon damage to or destruction of any personal property in the Unit;

(B) To enter into all agreements which the Managing Agent is authorized to enter into pursuant to the terms of this Agreement; and

(C) To sell and convey the remainder estate upon the termination of the Estate for Years as set forth in paragraph 35.

Nothing in this Section 27 shall be construed to alter, amend or otherwise impact the powers conferred on the Managing Agent or MLDC pursuant to Section 15 of this Agreement.

Each Owner stipulates and agrees that the power of attorney executed by this Section 26 is coupled with an interest. The action of the Managing Agent in settling any claim for damage to any personal property shall be binding upon each Owner in the absence of fraud or clear mistake.

28. **ENFORCEMENT COSTS:** In the event either a buyer or seller of a Rotational Estate defaults under the terms of the St. Andrews Village Rotational Ownership Purchase Agreement, the non-defaulting party shall be entitled to reasonable costs and attorney fees incurred because of such default. In addition, the Grantor of a Rotational Estate governed by the Declaration of Protective Covenants and Fractional Ownership Agreement for St. Andrews Village or the

Managing Agent appointed under this Agreement shall be entitled to reasonable costs and attorney fees enforcing said declaration and agreement.

29. **REGISTRATION OF MAILING ADDRESS:** Each Owner shall (and any first lienor may) register his mailing address from time to time with the Managing Agent and, except for periodic statements and other routine notices, all other notices or demands intended to be served upon an Owner shall be sent by either registered or certified mail, postage prepaid, addressed in the name of the Owner at such registered mailing address. All notices, demands or other notices intended to be served upon the Managing Agent shall be sent certified mail, postage prepaid to:

St. Andrews Village
100 St. Andrews Dr.
Columbia Falls, Montana 59912

30. **WAIVER OF RIGHT TO PARTITION:** Each Owner and any party claiming by, through or under him agrees to waive and hereby waives for the duration of the estate for years herein created by this Agreement any and all rights which he may now have or which hereafter may be given to the Owner by the laws of the State of Montana to cause a partition of the Unit (or any personal property therein) among the various Owners thereof.

31. **SEPARATE MORTGAGES:** Each Owner shall have the right to mortgage or otherwise encumber his Rotational Estate in the Unit. No Owner shall have the right to mortgage or otherwise encumber in any manner, whatsoever the Rotational Estate of any other Owner in the Unit. Any mortgage, deed of trust or other encumbrances of any Rotational Interest in the Unit shall be subordinate to all of the provisions of this Agreement, and in the event of foreclosure the provisions of this Agreement shall be binding upon any Owner whose title is derived through foreclosures by private power of sale, judicial foreclosure or otherwise.

32. **INDEMNIFICATION:** Any Owner who suffers or allows a tax lien, judgement lien, mechanic's lien or other lien to be placed against his Rotational Estate or the Unit shall indemnify, defend and hold each of the other Owners harmless from and against all liability or loss arising from the claim of such indemnity. The Managing Agent shall enforce such indemnity by collecting from the Owner who suffers or allows such a lien the amount necessary to discharge the lien and all costs incidental thereto, including reasonable attorney's fees. If such amount is not promptly paid, the Managing Agent may collect the same in the manner provided for the collection of assessments.

33. **SUCCESSORS:** Each Owner (including Grantor) shall be fully discharged and relieved of liability on the covenants of this Agreement insofar as the same relate to his Rotational Estate in a Unit upon ceasing to own any Rotational Interest therein and paying all sums and performing all obligations in respect of such Rotational Estate to the time his ownership interest is terminated.

34. **NOMINEES:** If title to a Rotational Estate is held by more than one person or by a firm, corporation, partnership, cooperative association, association, or other legal entity, Owner shall nominate one person to receive all notices, bills, statements, demands and communications and to be responsible for performance of the Owner's duties and obligations under the Agreement.

Such nomination shall be effective and remain in force unless voluntarily revoked, amended, or terminated by operation of law, however, within, thirty days after such revocation, amendment or termination, Owner shall reappoint one person to act as Nominee pursuant to this paragraph.

35. AMENDMENT OR REVOCATION: This Agreement may be amended or revoked:

- (A) By Grantor at any time prior to recording of an Original Deed, and
- (B) Upon the written approval, in recordable form, of a majority of the Owners and a majority of the first mortgagors.

Notwithstanding the foregoing, no amendment affecting the rights or obligations of the Managing Agent shall be made without the prior written consent of the Managing Agent, which shall not be unreasonably withheld.

36. DURATION AND WINDING UP

(A) This Rotational Ownership Agreement and the covenants contained herein and the Estate for Years of which each Rotational Estate consists shall continue in full force and effect with respect to the Unit for ninety-nine (99) years from the date of recording this Rotational Ownership Agreement or until the Unit voluntarily, by unanimous agreement of all of the owners of each Rotational Estate created hereby, ceases to be subject to the Declaration of Unit Ownership or this Rotational Ownership Agreement, whichever first occurs. In addition, the provisions of section 36(B) shall continue in full force and effect for so long after such termination date as is required to satisfy the provisions of paragraph 36(B).

(B) If the Unit ceases to be subject to either the Declaration of Ownership or this Rotational Ownership Agreement, except if voluntarily removed as set forth in Section 5 of this Rotational Ownership Agreement, the Managing Agent shall be entitled to receive, as attorney-in-fact for the Owners of the Remainder, all sums payable to such Owners under the Declaration of Ownership, the Rotational Ownership Agreement, or otherwise. Such sums shall be collected by the Managing Agent and divided among such Owners and paid into separate accounts on the basis of each Owner's Rotational Estate Ownership percentage. The funds in each account (without contribution from one account to another) shall be applied by the Managing Agent for the following purposes in the order indicated:

- (i) for payment of the balance of any lien of any mortgage or deed of trust on the Rotational Estate of the Owner,
- (ii) for payment of taxes and special assessment liens in favor of any assessing entity with respect to the Rotational Estate of the Owner,
- (iii) for payment of unpaid general operating costs attributable to the Rotational Estate of the Owner,
- (iv) for payment of junior liens and encumbrances in the order and to the extent of their priority with respect to the Rotational Estate of the Owner, and
- (v) the balance remaining, if any, shall be paid to the Owner.

The provisions of this paragraph shall not be construed as limiting in any way the right of a first lienor (in case the proceeds allocated under (i) shall be insufficient to pay the indebtedness secured by this lien) to assert and enforce the personal liability for such deficiency of the person or persons responsible for payment of such indebtedness.

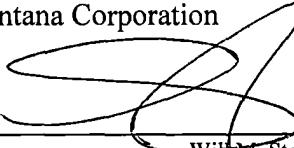

37. GENERAL:

- (A) Each Owner by accepting conveyance of a deed to the Unit subject to the provision of this Agreement agrees that the covenants and other provisions hereof are reasonable in scope and effect and are essential to the form of ownership in which such Unit is held.
- (B) If any of the provisions of the Agreement or any paragraph, sentence, clause, phrase or word, or the application thereof, in any circumstance be invalidated, such invalidity shall not affect the validity of the remainder of this Agreement, and the application of any such provision, paragraph, sentence, clause, phrase or word in any other circumstances shall not be affected thereby.
- (C) The provisions of this Agreement shall be governed by the laws of the State of Montana.
- (D) Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders.
